Fortress Risk Management Seminar topics include:

- Legal Basics
- Rapport
- Documentation
- Informed consent
- Withdrawal from Care
- Customer service
- Case examples

By attending this seminar, dentists and staff will understand the basics of risk management and will be able to implement appropriate procedures in their daily practice of dentistry to reduce the likelihood of future malpractice lawsuits. Speakers for the seminars include Mr. Tom Beckett, Dr. Michael Ragan, and Mr. Richard Small. All three speakers have extensive knowledge and experience in dental malpractice insurance.

All seminars are a 3-hour lecture, and all attendees will earn three (3) CE credits. Attending a seminar entitles Fortress insureds to a premium credit. Fortress Risk Management Seminars are produced and sponsored by OMSNIC, which is a ADA CERP Recognized Provider.

For more information, or to register for a seminar, please call Dyste Williams at 952-593-5025 or 800-800-6360.
